***All assignments must be typed and handed in on the due date. All tests must be taken on the day that the test is scheduled. LATE ASSIGNMENTS WILL NOT BE ACCEPTED AND TESTS THAT ARE NOT TAKEN ON TEST DAY WILL NOT BE MADE-UP. If you are going to be absent on assignment due dates or test days, it is your responsibility to make arrangements with Dr. Hutchinson before the day that will be missed.

Class Attendance: Each student is required to come to class. Each student will be allocated three unexcused absences. Each additional absence will result in -5 PTS. to the final point total. If the student has accumulated a total of 8 absences or more the final grade will result in an “F”. Even if you do not feel well enough to participate come to class!! There are other ways you can contribute so that your grade will not be penalized. If you believe you have justification for an absence to be excused you MUST discuss this Dr. Hutchinson in person, and authentic documentation must be provided on the first day back to class. There will be no exceptions. **If you miss three consecutive days it is my responsibility to report your name to the Office of Academic Services.

Lateness: Lateness will NOT be tolerated. Every third time you are late (not in class within the first five minutes of start time) you will be penalized an absence.
